Remarks

Chic Tri-Level Mid Century Modern in Historic Palmer Woods. Located in the heart of Palmer Woods, one of Detroit's most prestigious and architecturally significant neighborhoods, this tri-level mid-century modern home offers timeless design, abundant natural light, and a rare opportunity to own in a community known for its history, elegance, and charm. This thoughtfully designed 3 bedroom 2 full, 1 half bath residence features a sun-filled contemporary layout, combining classic mid-century elements with practical everyday living. The main living space creates an open, airy feel, with layering levels while the original fireplace adds additional warmth and character. The cozy family room on the lower level provides flexible space for relaxing or entertaining, and the attached garage offers convenient access and space. This property delivers high style and efficient living in an unbeatable location. Unique Tri Level in a neighborhood renowned for its historic architecture, tree-lined streets, and vibrant community life. Originally developed for Detroit's early 20th-century elite, Palmer Woods remains a protected enclave of architecturally significant homes. From grand Tudor and Colonial estates to elegant modern designs. More than owning a chic and rare property become part of
